Edye Dingman Central Sierra Audubon Scholarship

Central Sierra Audubon Society is offering up to $5,000 in scholarships this year to students of at least junior standing in college who are pursuing an undergraduate or graduate degree in Natural or Environmental Sciences. Preference will be given to alumni of a high school in either Calaveras or Tuolumne County or those who have attended Columbia College.

Letter of Instruction

Dear Applicant:

Please copy the application since it must be sent via US Mail.

1. Fill out the entire application form legibly.
2. Include an official copy of your college transcript(s).
3. Include a letter of recommendation from BOTH references.
4. Include a one-page personal essay expounding on the stated requirements in the application.
5. Send the completed application for the Edye Dingman Scholarship to:
   Central Sierra Audubon Society
   P.O. Box 3047
   Sonora, CA  95370
6. Applications must be received by US Mail on or before March 24, 2023.
7. Finalists may be invited for an interview.

Please be certain that all requirements for the application are included. Applications that are late or incomplete will not be processed.

Sincerely,

Central Sierra Audubon Society
Scholarship Committee
Edye Dingman Central Sierra Audubon Scholarship
Application Form

1. Name: ______________________________________________________________
   Address: __________________________________________________________________
   City: ________________________________ State: ______ Zip: ________________
   Phone: (_____)_______________ E-mail address: ___________________________

2. Name and of university/college currently attending:
   ______________________________________________________________________
   ______________________________________________________________________

3. If transferring, name of university/college of acceptance:
   ______________________________________________________________________
   ______________________________________________________________________

4. Major: ______________________________Degree________________________
   Career goal: ______________________________________________________________________

5. Names/addresses/phone numbers of two references: (one reference must be from
   a college instructor familiar with your science course work)
   1) Name: ______________________________________________________________
      Address: __________________________________________________________________
      Phone number: __________________________________________________________________
      Relationship to applicant: __________________________________________________________________

   2) Name: ______________________________________________________________
      Address: __________________________________________________________________
      Phone number: __________________________________________________________________
      Relationship to applicant: __________________________________________________________________
